Ride 4 Life

This year, we'd like to enter this very worthwhile event, together as a Club. If you haven't received an Entry Form (having ridden it before) there are plenty in the clubroom, or please contact me.

The closing date for pre-entries (and the reduced entry fees) is 6th May 2011, so please let me have **your entry by 1st May 2011** so I can enter us on block. **Mark**

Wanted!

As part of the 25th Rally celebrations the Rally committee are planning to mark it with a display including **photographs** and would welcome any pictures you have.

We plan to look through these while the Children's Easter Egg Hunt is taking place on Saturday 23rd April. If you can't make it then, please let Mark or Jean have your pictures before then. *Thank you*
