## Mildenhall CC goes live online

Introduced for the recently held Mildenhall Sports Fair, the Club now have Facebook and Twitter pages. It is hoped these will reach out to young people, who may not necessarily look at the Club's existing web-pages.

These are in addition to the forum and are not solely for the younger generation, we can all join in and have some fun along the way.

***As they say, until you've tried it, you can't knock it!***
