## Mildenhall Cycling Rally

### PUBLICITY

Don't forget if **you're going to any event**, please take some of the What's On leaflets to distribute to competitors / display for people to help themselves. It's more important than ever that we promote the Rally to make sure that the number of day visitors doesn't drop! Without the visitors, the Trade Show especially in the current climate will suffer; the Rally will struggle leading to a drop in our income that would affect us all!

Or, why not come and join in the fun of being a **paper boy/girl** again delivering Rally leaflets to the homes of Mildenhall on Sunday 15<sup>th</sup> August.

### Your HELP

As ever, the Rally committee are looking for your help, however little, you can give us over the weekend of the event. We particular need volunteers in the **Information Centre**. I will be emailing members a rota so that you can choose times to suit you, or, please contact me direct. [mark@burchett.org.uk](mailto:mark@burchett.org.uk)

### Wednesday Evening Rides

Those really keen members', who were using the rollers on Wednesdays, have now gone back to the tarmac. They start from The Plough in Icklingham at 8pm.

### Early Morning Sunday Rides

The same intrepid crew, also go out early Sunday mornings!!

So if you fancy getting out before a lot of the traffic does, they usually start at 7.30am.

*For further details on either, please contact Marc Bowers 07818 422776*

### Go-Ride with a difference!

As we don't have huge numbers of 'go-riders' and Dave very kindly puts out a very good **grass track every Monday night**, would any adults like to come and practice your grass track? It would be good to make use of the facility! *Please let Mandy (01842 890721) know if you want to come along.*

### What's On

If you have received this in the post, it is because the Club doesn't have an email address for you. If you would like future **Whats On's** to be emailed to you please let me know, *Mark Burchett* [mark@burchett.org.uk](mailto:mark@burchett.org.uk)
